Advice for the ticket system of bus and metro:

1. Tickets must be bought before getting on
2. Metro: buy them in the ticket office at the station.

3. Bus: tickets are available in most newspapers-shops, in the white little shacks and from street venders.
4. Note that the ticket must be stamped in the machines as you get on the bus and just before you enter the platform area in the metro. Fares are the same for children age 6 and up. Children of 5 years or less go for free.
